--- RQ-123 - *imperforate* - "Rock City / Rothman Tobacco", Quebec City - 1971-74 ---

In 1971 the new *ounce series* was introduced, with the imperforate eight ounce first appearing in the collection from "Rock City / Rothman" in 1974. There is only a single example in the "Rock City" collection.

Rock City Tobacco was acquired by Rothman of Pall Mall in 1960, and the old Rock City Tobacco went into receivership. The new company was then chartered as "Rock City Tobacco (1960)". This was not their only restructuring, as the box collection contains a package inscribed "Rock City Tobacco (1986)".
